

Language Arts 7th Grade

Course Overview:

English 7 will engage students in a wide variety of experiences in literature, composition, and grammar. In literature, the students read novels, poems, short stories and plays to understand and appreciate their content and artistry. In composition, students develop their skills in argumentative, narrative and expository prose. Exercises in grammar, punctuation, and vocabulary are included. English 7+ students move at an accelerated pace and read more challenging works.
