

Avon East Elementary Title I Parent/School Commitment Compact

The purpose of this Parent/School Commitment Compact is to outline how principals, parents, teachers, and students will share the responsibility for student achievement and literacy. We know that learning takes place when the school and the home work as partners. We will do our best to build a partnership between the school and the home.

As a Principal, I agree to:

1. Provide an environment that promotes positive communication among students, staff and parents.
2. Encourage effective communication between home and school.
3. Equip teachers to provide high quality instruction that helps each student meet Ohio Academic Standards.

As a Parent, I agree to:

1. Be sure that my child attends school every day and on time.
2. Respond to communications from my child's teachers and attend parent-teacher conferences.
3. Provide my child with a time and place to do homework and read with my child every day

As a Student, I agree to:

1. Attend school every day and on time unless I am sick.
2. Spend time every night reading to or with a grown-up in my life.
3. Pay attention in class and ask my teachers questions when I do not understand.

As a Classroom Teacher, I agree to:

1. Maintain communication between school and home.
2. Implement a high quality curriculum in a literacy-rich environment that will help each child attain literacy and meet expectations in the Ohio Academic Standards.
3. Report student progress to parents.

As a Title I Teacher, I agree to:

1. Maintain communication between school and home.
2. Provide reading intervention opportunities for this student.
3. Report student progress and suggest literacy activities to parents as needed.

Signature: By signing this compact, we agree to work together to help this student achieve literacy.
